サンクトペテルブルク大学 経済学部を訪問(**2019**年**9**月)

経済学部の先生と打合せ

講演後、大学院生と

他の経済学部教員と異なる点

・通算、5年ほどロシア(シベリア)で仕事をした経験があること

- ・以前に勤務した研究所が、学際センターだったため、工学部や理学部、文学部出身の教員と共同研究を行っていた点
- ・様々な国の外国人と共同研究をしてきたこと

専門と趣味

• 専門:ロシア研究、西洋経済史

• 海外渡航:ロシア訪問回数50回超。訪問した外国数:30数か国

• 趣味:海外旅行、読書、映画鑑賞

塩谷ゼミの方向性

- 「常識を疑う」をモットーに、ゼミの内容を設計
- 俯瞰的に見る能力を高め、学際的な知識を身に着ける
- 教員の専門(西洋経済史)を学ぶのではなく、一般教養を深める

ゼミの具体的なコンテンツ

- 常識を疑う姿勢:マスコミの伝えるニュースは本当に正しいか?
- ・ 学問の基本的方法を習得:問いを立てる(常識を疑う)→仮説を考える→検証する
- 社会現象をシステムとして考える習慣(俯瞰的思考、学際的思考)

ゼミのコンテンツ

- ・ 『日本経済新聞』とFinancial Timesの記事を比較し、その違いを考察 →日英の報道の仕方や、ニュースの焦点の当て方の違いを学ぶ
- 文献の輪読
- 卒業論文の作成:学問の基本的方法を習得
- 他大学のゼミ生との討論(三商大ゼミ)

FINANCIAL TIMES

- ロンドンで編集される英国の経済新聞。しかし所有者は、日本経済新聞社
- 英語圏で販売される経済新聞としては、最高級(価格でも品質でも)
- 読者層は世界のビジネス・リーダー
- この新聞の記事を読むことで、日本が世界にどのように報道されているかを知る

On offensive Turkey begins Syria assault

A Turkish military convoy nears the country's southern border vesterday as President Recep Tayyip Erdogan launched an offensive into the northeast corner of Syria. He said the "Peace Spring" operation would "preserve Syria's territorial integrity and liberate local communities from terrorists".

The move was in defiance of an outcry over the threat posed to US-backed Kurdish forces and the campaign against Isis jihadis.

Donald Trump, US president, said the move was a "bad idea" and warned that he would hold Turkey to its commitments to "protect civilians, protect religious minorities . . . and ensure no humanitarian crisis takes place". Offensive begins page 4
